Response Form

THE BOYCOTT LIST identifies corporate supporters of Planned Parenthood. One checkbook-size list of boycott targets, which you may find outside the home, is included with every *Boycott List* ordered. In addition, *The Boycott List* includes a section listing charitable groups that, in one way or another, are advancing the Culture of Death. It also includes a quick search system. Updates to *The Boycott List* are printed in *The Caleb Report* (see below). *The Boycott List* is published semiannually, but not on a specific schedule. LDI Partners are automatically sent a recommended Letter-Writing Schedule, which allows them to be part of a strategic plan. (The *Checkbook List* is not available apart from *The Boycott List*. *The Boycott List* and *Checkbook List* are automatically sent to Partners. LDI Partners wishing to receive more than one *Boycott List* when new versions are released may do so at a discount by preordering when signing up for or renewing a Partnership.)

THE BOYCOTT LIST (Limited Edition) is available by email. It includes only the primary list of boycott targets, along with well the products/services, corporate contacts, and other details for each.

THE CALEB REPORT, LDI's hard-hitting newsletter, is not for the faint-of-heart. Published six times per year, it is a candid look at everything from Planned Parenthood's political activity and "educational" programs to the group's financial empire. *The Caleb Report* covers additional issues of interest to pro-family activists that are generally not found in other periodicals. (*The Caleb Report* is automatically sent to LDI Partners. *The Caleb Report* may include material that some people could find unsuitable or objectionable, in which case a warning precedes the article.)

PLANNED PARENTHOOD: STALKING EVERY COMMUNITY is a 14-page, full-color brochure that outlines the group's mission, failed programs, efforts to influence young people, and its opposition to abstinence-based education. This brochure includes basic facts about Planned Parenthood, including financial information and the extent of its abortion empire. (Applicable to the USA. Appropriate for all audiences.)

ON THE RECORD: THE PHILOSOPHY OF PLANNED PARENTHOOD is a brochure that features quotations from Planned Parenthood advertisements, hierarchy, and publications (including those recommended by the group). What does Planned Parenthood really stand for? What do its leaders say about teen sexual activity, abstinence, parents, children, abortion and other vital topics? Has Planned Parenthood's agenda changed over the years? The quotations will leave you stunned, but they are verifiably true! This brochure is an eye-opening look at the Planned Parenthood its hierarchy would rather keep secret. (Applicable worldwide. Adults are urged to review brochure content before making it available to minors.)

IMPORTANT (PLEASE READ IN FULL): All donations by U.S. taxpayers are deductible in accordance with IRS rules. Items will be mailed to the address provided by you on the second page of this form. **Persons placing an order certify that they: 1) oppose legal abortion, 2) support the goals of Life Decisions International, and 3) will adhere to all copyright and other restrictions.** *The Boycott List* may not be used for business, institutional or other unauthorized purposes. Please allow up to eight weeks for your order to be mailed. Orders are sent via the U.S. Postal Service (First Class, Bulk Rate or Media Mail; depending on the timing and size of the order). **Persons using a credit card** pledge to contact LDI if there is a problem rather than the credit card company. This gives us the opportunity to check on your order. Requests for "refunds" will be honored if the ordered material has not yet been mailed. We cannot offer "refunds" or exchanges on any material, including to persons who may receive the same item(s) twice, once it has been mailed. Partnerships begin on the date the order is processed; not the date material is sent or received. We will always send the most up-to-date released material. If we know a revised *Boycott List* will be sent to the printer within 60 days of receiving your order, shipment may be delayed so we may send the updated version. We believe it would be counterproductive to send a *Boycott List* that will be outdated in a matter of days; maybe before you even receive it. With the exception of preordered *Boycott Lists* by LDI Partners (described above), orders for unreleased material cannot be accepted. If an item is out of stock, the person placing the order will be notified. The item will be sent as soon as it is available. **This form is valid through November 30, 2017;** after that date please visit our website for an updated Response Form. **LDI respects the privacy of persons providing the information on page two of this form. It will not be released to another entity for any reason. Phone numbers are used only for purposes that are highly time-sensitive.** (Email and the Postal Service are our primary forms of contact.) Please mail this form to the address at the top.

Please do not staple or tape payment to this form. After November 30, 2017, please visit our website for updated information or request a new Form.
